

Does your life contrast with the rest of this crooked and perverse world?

Are you known by your good works?

**\*What good works could we all be doing?**

Do people know why you do good works? Do you glorify God?

**\*How can we make sure to glorify God through our works?**

Are you lit by the Source?

**\*What can we all do to plug into the Source?**

Is your light uncovered or do you wear a lampshade?

**\*Why might we cover our lights?**

**\*How can we uncover our lights?**

Why should you shine your light?
