

VISION 2020

Believing God for a dynamic church in the year 2020

As the Lord uses the people and resources of Woodbury Presbyterian Church (WPC) in exciting ways over the next 12 years, we trust Him for the following faith goals by the year 2020.

Focus on our People

We will increase in faith and in numbers, expanding to 1000 growing disciples of Jesus Christ (Acts 16:5).

These disciples will:

- Walk by faith with an understanding of the Spirit-filled life.
- Exhibit love for one another and concern for those who do not yet know Jesus.
- Display God's creativity in their diverse ages, ethnic backgrounds and cultures.
- Find ways to use their unique talents, skills and gifts regularly.
- Experience fellowship and belonging at a deep level.

Focus on our Programs

We will develop quality programs and staff that nurture growing disciples in the vibrant Biblical and Reformed Tradition and reach out to those who are without Christ.

These programs will center on:

- Excellence in worship, music and creative arts.
- Compassionate ministries to those with special emotional and financial needs.
- Christian education that will help grow disciples of all ages.
- After school activities, family activities, retreats, transportation and youth ministries.
- Fulfillment of the Great Commission through local outreach, international missions and visitor follow-up.

Focus on our Property

In order to facilitate the Vision 2020 plans, we will strategically use all 8 acres of the property that the Lord has placed under our stewardship.

The property development will include:

- A 500 seat sanctuary.
- Adequate classroom and small group meeting spaces.
- A fully equipped Nursery.
- Adequate office, administration and storage areas.
- A commercial grade kitchen.
- A visible community beacon.
- A 24 hour prayer chapel.
- A choir room.
- A nature prayer walk.
- Sports facilities.
- Community bus transportation.

We envision our church being a focal point of our community.
