The Sound Crew Needs Some HELP

If you've been thinking about taking up an exciting, fulfilling career in audio production...if you've always thought it might be fun to play with all those colorful knobs on our cool soundboard...if you've ever gotten the urge to jump up front and say "check 1-2" into a microphone...or if you've just been wondering where you can serve in the church - the sound crew might be the place for you! Pretty much anybody can learn how to do it so don't be shy. Let us know your interest and we can get you trained and plugged in! Contact Barry Watkins
