GOD'S LOVE IN ACTION"

ACTION ATTRACTIONS

New Building News

Though all the work is behind the scenes right now, we continue to move forward with our construction project. Currently we are working to obtain a firm price on site work. After we get bids on both the site work and the construction, we will present our loan application to the Presbyterian Investment and Loan Program (PILP). Construction should start soon after that.

NOTE: For the sake of our loan application, it's important that our income continue to be strong. Most churches usually experience a "summer slump." However, since we will likely be making our loan application in August, everyone is encouraged to maintain your faithful, dedicated giving to the Lord's work at Woodbury during the summer. And above all, keep praying! God is blessing us in so many ways.

Make the Woodbury website your home page. Access the daily Scripture readings. Find the weekly prayer requests. Keep up with the pastor's blog, listen to recent sermons and stay informed in many ways. For instructions, go to www.WoodburyPres.com then click "Making this your web home page."

Our ACTION Heroine of the week is

Heather Hawkes who, with her sister Amanda helped with our Vacation Bible School during her first week back in Florida and who is filling our orchestra today by playing clarinet. Thanks, Heather!

Food Pantry News

The volunteers and I want to thank you all for your countless donations of food, clothing, money, and most of all your love and prayers. We could not be successful without your generous help.

The clothing ministry is temporarily suspended for the summer months. We will welcome any "gently used" items starting in September.

I heard "second hand" from another faith based food pantry, a unique cost saving way that a congregation may contribute without spending a substantial amount of money. It is a Bible based theme— and to borrow one of their ideas- the month of July will be called "Jammin' for Jesus." If each of us donates one jar of jam or jelly, all of our clients will be provided with a jar. Clever idea don't you think? Each month I will put our monthly theme in the Action Attractions and we will see how it works out.

Again, thank you for your help and God bless you all.

Food Pantry Coordinator
