

## New Building Prayer —Look to the Future

Woodbury's leadership has prayed and sought God. The Session and the Building Committee believes this new building project is where God is leading us. Once constructed, the new building will be used both by us and by God.

### ***Our new building can and should be:***

- a center of Christian fellowship
- a place of expectant learning
- a house to grow closer with God
- where bonds among church family members deepen
- a means to strengthen community relationships
- used to support life-events (weddings, baby showers, memorials and funerals)

### ***We do not yet know God's plans for***

- our church
- our ministries
- our facilities

### ***We do know He wants us to***

- be good stewards of His blessings
- do more than we are right now
- positively impact our community

### ***We want to:***

- serve the needy
- impact future generations
- grow our youth
- strengthen marriages
- nurture families
- conduct baptisms
- confirmations
- provide Sunday school
- develop Youth groups
- positively affect many lives

### ***We hope for:***

- additional youth groups
- plentiful small groups
- more Sunday School classes
- life-changing community events

***Ask*** God how He wants to use Woodbury Presbyterian Church and this new facility.

***Pray*** as He strengthens our church family; that He will bring us closer together and closer to Him.

***Trust*** that He will reveal His plans for our church to be a beacon of light to East Orange County and to the world.

Posterity will serve him; *future* generations will be told about the Lord.

They will proclaim his righteousness to a people yet unborn—for he has done it.

(Psalm 22:30-31, NIV)
