“What is a “Per Capita Offering?”

The per capita offering is a contribution which each church in our denomination gives to its presbytery to support the work of the larger church. The money is used to enable the ministries of presbytery, synod and General Assembly. The per capita for Central Florida Presbytery is \$14.58 per year for 2012. Because we are grateful for the ministry of the whole church, Woodbury is committed to giving the entire amount requested of us to our presbytery. Your donation of \$14.58 for each church member in your family, above and beyond your generous regular giving to the mission of this church, is deeply appreciated. For more information about per capita giving, check out [http://www.cfpresbytery.org/Reports.html#PerCapita Offering](http://www.cfpresbytery.org/Reports.html#PerCapita%20Offering).

Please Note: The February calendar on the back has been updated to include “Happenings” that were left out of the calendar last week.

Pat Pinder and Mike Fleetwood both celebrated their spiritual birthdays on February 2nd. God has used both of them to bless this church richly through the last 24 years. They are our ACTIONS Heroine and Hero of the week.
